2023

End-to-end product design training, from research to high-fidelity prototyping.

Design Systems Bootcamp Memorisley

2022

pecialized training in scalable design systems, tokenization, and component libraries using Figma.

Interface Design & Usability Certifications Platzi

2020

UI design, UX research, and accessibility fundamentals.

UI Designer

Twilio | June 2024 - Present

- Design and maintain scalable UI components for Twilio's global marketing website, ensuring strict alignment with the company's design system.
- Collaborate with developers, product managers, and content teams within an agile environment to deliver high-fidelity landing pages focused on user conversion.
- Create and document reusable visual modules to streamline developer handoff, improve consistency, and reduce implementation time across teams.

Senior UI & Visual Designer

PGD Publicis | 2020 - Present

- Lead interface design and visual direction for CJ Affiliate's digital ecosystem, including responsive websites and content hubs.
- Translate complex marketing and business requirements into intuitive UI layouts, interaction flows, and interactive prototypes.
- Manage the end-to-end design process for digital assets, ensuring accessibility compliance and pixel-perfect execution across devices.

Senior Art Director

Nobox | 2018 - 2020

- Partnered with global brands (Marriott CALA, Sheraton) to transform their digital presence through responsive web design and video content.
- Designed e-commerce interfaces and digital campaigns, focusing on user retention and visual storytelling.
- Led remote creative teams to deliver high-quality digital products within tight deadlines.

Senior Art Director

Beat MullenLowe SSP3 | 2016 - 2018

- Led the digital design department, overseeing the creation of mobile applications, e-commerce platforms, and large-scale web projects.
- Directed UI strategies for major clients like BMW, Hyundai, and Nestlé, ensuring high visual standards and brand compliance.
- Mentored junior designers and implemented efficient workflows for digital production and prototyping.

Senior Art Director (Digital Dept.)

Sistole - Sancho BBDO | 2014 - 2016

- Lead the interface design and visual direction for CJ Affiliate's digital ecosystem, including responsive websites and content hubs.
- Translate complex marketing requirements into intuitive, user-friendly UI layouts and interactive prototypes.
- Manage the end-to-end design process for digital assets, ensuring accessibility standards and pixel-perfect execution across devices.
